About Us

Nanta Tech is a trailblazing technology firm dedicated to pioneering innovation and quality in the audio-visual industry. Embracing the Make in India initiative, we specialize in crafting advanced audio-visual solutions that redefine standards.

Committed to continuous technological advancement. We push boundaries to create immersive sound and visual experiences. Our team, comprised of passionate individuals, is united in our bold vision of an expansive technological landscape that enriches lives.

WHAT WE DO

Cutting-edge audio-visual solutions:

We specialize in developing and manufacturing state-of-the-art audio-visual products that deliver immersive sound and visual experiences.

High-quality cables:

Our product range includes HDMI cables and USB active cables designed for optimal performance and durability.

Audio-visual equipment:

We offer a range of equipment such as PTZ cameras, USB video bars & speakerphones with microphones, designed to enhance communication and collaboration in various settings.

Innovative technology:

Our company is committed to pushing the boundaries of technology, ensuring that our products incorporate the latest advancements to meet and exceed customer expectations.

ALL IN ONE SERIES

Nanta NT-EC-VB-4K

- 4k video bar with HDMI Output
- 121° wide field of View
- Mechanical Pan & Tilt Function
- Beam Forming Microphone with 6meter voice pickup range
- Built-in Bluetooth
- Built-in 3A Algorithm (AEC/AGC/ANS)

GESTURE SERIES

Nanta NT-EC-GC-4K

- 4k Auto Tracking Gesture Control
Tiny PTZ Webcam
- AI interaction, multi-gesture control,
fast facial recognition & locking tracking
- Type-c universal interface for wide
compatibility

AI VIDEO SERIES

Nanta NT-EC-HD-20X

- Full HD@60 Professional PTZ with
- AI Technology
- 20x Optical Zoom
- 60.7° Wide-angle Lens Multi Port Connectivity - HDMI+LAN + SDI+USB
- Pedestrian recognition technology

AUDIO SERIES

NT-EC-SPK-MIC

- Wireless Speaker Mic with Extensions
Built in 6 Mic & Hi-Fi Speaker
- 8-10 meter voice pickup 3000mAH
Battery for 10 hours of Conversation
- Dynamic Background Noise Reduction
with AEC supports

AUDIO SERIES

Nanta NT-EC-CM-6

- Digital Array Microphone with 6 meter voice pickup
- Smart Audio Algorithms; Clear Natural Sound
- PoE Based Cascading supporting up to 6 Microphones
- Built-in 6 mics to form a circular array microphone with AEC, AGC & ANS Support

CONNECTIVITY SERIES

NANTA NT-EC-001

- HDMI 2.0 AOCB Cable
- Length - 10 - 100 meters
- Supports - 4K@60 Hz, 4:4:4
- Dolby & Multi-Channel Audio
- 18G Super Speed
- Detachable Option Also Available
- CE, FCC, UL, RoHS Certified

CONNECTIVITY SERIES

NANTA NT-EC-006

- HDMI 2.1 A to C Cable
- Length - 10 - 100 meters
- Supports - 8K@60 Hz, 4:4:4
- Dolby & Multi-Channel Audio
- 48G Super Speed
- CE, FCC, UL, RoHS Certified

NANTA NT-EC-016

- USB3.1 AM-B Active Cable
- Length - 05 - 50 meters
- Type A Male - Type B Female
- Backward Compatible
- 10Gbps Data Transfer Rate
- CE, FCC, UL, RoHS Certified

NANTA NT-EC-017

- USB3.1 AM-C Active Cable
- Length - 05 - 50 meters
- Type A Male - Type C Male
- Backward Compatible
- 10Gbps Data Transfer Rate
- CE, FCC, UL, RoHS Certified

CONNECTIVITY SERIES

NANTA NT-EC-018

- USB3.1 C-C Active Cable
- Length - 05 - 50 meters
- Type C Male - Type C Male
- Backward Compatible
- 10Gbps Data Transfer Rate
- CE, FCC, UL, RoHS Certified

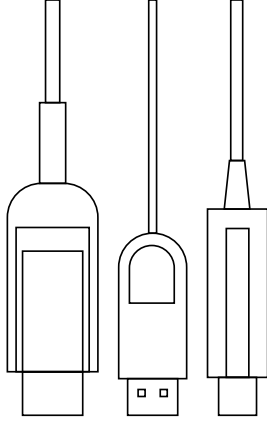

NANTA NT-C-021

- HDMI 2.0 AM to AM Copper
- Length - 01- 10 meters
- Type A Male - Type A Male
- Backward Compatible
- 4K@60HZ Gold Platted connector
- CE, FCC, UL, RoHS Certified

NANTA NT-C-022

- HDMI 2.1 AM to AM Copper
- Length - 01 - 10 meters
- Type A Male - Type A Male
- Backward Compatible
- 8K@60HZ Gold Platted connector
- CE, FCC, UL, RoHS Certified
